Deadline: November 30th, 2007
National Learning Object Repository

Christian Rohrer and Rolf Brugger, SWITCH

- Presenting a possible architecture of a federal repository network
- Report from the repository pilot project
- Discussing requirements and use cases of the workshop participants concerning the further implementation
Community Building

Martin Sutter (SWITCH), Andrea Helbach (ZFH), Peter Frey (UniBE)

Analysing needs and possible services on a national level

- Who has which needs? (in areas such as of information, continuing education, support, exchange of ideas, social aspects)
- Which providers could offer what kind of services? (such as directories, mailinglists, conferences, workshops, deployment, marketing)
Developing eLearning Quality in Switzerland

Sabine Seufert (SCIL), Christian Hohnbaum (SVC)

- Strategic Aspects:
  Where does a „national initiative“ make sense regarding eLearning Quality? What is the role of the Swiss e-Hub?

- Implementation Aspects:
  What are necessary services the Swiss e-Hub should provide?
Further Financing: EU Funds, SNF, KTI

Christine Poupa (Eurosearch UniSG)

Thorough insight in different European funding schemes:

- Different programmes and their conditions for participation
- Procedure
- Tips/Checklists: important things to know

Questions & Discussion concerning Swiss and EU funding schemes.
We wish you

inspiring and challenging workshops!
